Good morning, Valley Academy families,

This is an important reminder to our families that we are now beginning preparations for the 2024-2025 school year. Each year we ask that you confirm and/or update your children's address, emergency contacts, and health information. We are asking that you do this now by completing the RTS Registration and Update 2024-2025 on the [ParentVUE portal](#). If you still live at the same address, you will not need to attach any documents. We ask that you complete this at your earliest convenience. **Please know that after May 13th, you will not be able to access ParentVUE unless the Update has been submitted.**

Thank you to your prompt attention,
Valley Academy Administration

Four weeks of school! Hang in there! Book Report due Wednesday, May 1.
